**Circular No. 92**

## **INQUIRY COUNTER AND PAYMENT FACILITY**

Currently, the State Taxation Office provides both a land tax public inquiry and also a payment facility on the 1st Floor of its Torrens Building, Victoria Square premises.

As from 4 January, 1994 the 1st Floor land tax inquiry and payment facilities will be closed and relocated to the Taxpayer Services area on the Ground Floor of Torrens Building. Accordingly, from that date, payments of land tax and applications for certificates of outstanding land tax can be made in the Taxpayer Services area on the Ground Floor and an experienced Land Tax Officer will be available to assist with any land tax specific inquiries.

The "twenty-four hour" delivery of certificates obtained by agents will continue to be made via delivery boxes on the ground floor, however, the delivery to conveyancers, agents and other people who do not rent a delivery box will be made either by post or held by the Land Tax Inquiry Officer on the ground floor pending collection.

Any inquiries regarding the new arrangements should be directed to Mr Neil Brett, Manager, Land Tax on telephone 226 3753.
