## ELECTRONIC PAYMENT AUTHORITY (DIRECT DEBIT) SERVICE AGREEMENT

This is your Electronic Payment Authority (Direct Debit) Service Agreement with RevenueSA. It explains what your obligations are when entering into an Electronic Payment Authorisation (EPA). It also details what our obligations are to you as your Electronic Payment Authorisation provider. Please keep this agreement for future reference.

### Debiting your account

- You will be deemed to have given approval to debit the nominated financial institution account upon authorising an amount via RevenueSA Online.
- RevenueSA cannot and will not independently debit the nominated account for any other amount than that authorised by the user.
- If the payment authorised via RevenueSA Online is not on a banking day, we may direct your financial institution to debit your account on the following banking day. If you are unsure about which day your account has or will be debited you should ask your financial institution.

### Amendments by you

- An EPA remains in force until it is cancelled. If you wish to cancel, contact RevenueSA on the contact details listed below (under disputes).
- If you wish to stop any individual payment, you must notify RevenueSA via email within the same business day you authorised the payment. If the payment is not authorised on a business day, contact RevenueSA on the following business day.
- If you change your account and want to continue using EPA, you will need to complete a Update RevenueSA Online Bank Account form available from our website: [www.revenuesa.sa.gov.au](http://www.revenuesa.sa.gov.au)

### Amendments by RevenueSA

- We may vary any details of this agreement or the Electronic Payment Authorisation at any time by giving you at least fourteen (14) days written notice.
- The current version of this agreement and Electronic Payment Authorisation is available from our Internet site: [www.revenuesa.sa.gov.au](http://www.revenuesa.sa.gov.au)

### Your obligations

- It is your responsibility to ensure that there are sufficient clear funds available in your account to allow a debit payment to be made in accordance with the authorised amount via RevenueSA Online.
- If there are insufficient clear funds in your account to meet a debit payment:
  - you may be charged a fee and/or interest by your financial institution;
  - you may also incur fees or charges imposed or incurred by us; and
  - you must arrange for the debit payment to be made by another method or arrange for sufficient clear funds to be in your account by an agreed time so that we can process the debit payment.
- You should check your account statement to verify that the amounts debited from your account are correct.

### Disputes

- If you believe that there has been an error in debiting your account, you should notify RevenueSA in writing on the contact details listed below:

Email: [RevSupport@sa.gov.au](mailto:RevSupport@sa.gov.au)

Fax: 08 8226 3805

- If we conclude as a result of our investigations that your account has been incorrectly debited we will respond to your query by arranging for your financial institution to adjust your account accordingly. We will also notify you in writing of the amount by which your account has been adjusted.
- If we conclude as a result of our investigations that your account has not been incorrectly debited we will respond to your query by providing you with reasons and any evidence for this finding in writing.
- We will make every attempt to ensure that payment disputes are resolved within three (3) business days.
- Alternatively you can take it up directly with your financial institution.

### Accounts
