Payroll tax for any periods prior to your registration will be calculated by RevenueSA after submission. Please enter totals of actual taxable wages paid by your organisation and, if applicable, the whole group.

Taxable wages includes gross wages, superannuation, allowances, leave payments and other components. For further details refer to the [Payroll Tax Guide to Legislation](#).

1. Enter actual taxable wages for each return period. If you did not pay any wages in a particular period enter \$0 for that period. Please enter wages rounded to the nearest dollar.
