

The **Estimates** screen captures expected wage data for the following financial year which is then used to calculate your estimated deduction entitlement for that year.

Group Status Code

1. Review the **Group Status Code** that has been automatically populated for the next financial year.

If the status code displayed is correct, go to step 6 Wage Estimates.

If the status code is expected to change in the next financial year, please change your **Group Status Code** to the new code by selecting the relevant status code from the picklist.

Group Status Code

If you expect your status code to change in the 20 -20 financial year, select new employer status code

here:

2. The fields in the **Group Status Code Change** section vary depending on the new status code that is selected.

Group Status Code Change

Reason for Change *:
