

Document Type:	Conveyance of Land
Document Name:	Road Closure

Introduction

This Document Guide Note explains how stamp duty is calculated on a document that effects the closure of a road or a portion of a road where the land is predominantly used for residential or primary production purposes.

What documents can I self-determine under this document type?

- The document is usually titled 'Application for Document of Title under the *Roads (Opening and Closing) Act 1991*';
- RTC; and
- RTU.

What types of transactions can I self-determine under this document type?

A road closure is deemed **suitable** for self-determination under this document type where the land which is subject of the Road Closure is predominantly used for residential or primary production purposes.

The document can be self-determined on RevenueSA Online regardless of whether the parties are related or unrelated.

The land in which the road or a portion of the road will merge with is not a determinative factor as to whether stamp duty will apply or not.

The following similar transactions cannot be self-determined under this document type:

If the land the subject of the Road Closure is classed as Qualifying Land, the document must be self-determined under the document type:

[Conveyance of Land | Road Closure – Qualifying Land](#)

If the road closure document effects the closure of a road or a portion of a road and the vesting of that land is **between the same parties** the document must be self-determined under the document type:

[Not Chargeable | Road Closure - Same Parties, No Consideration](#)

What evidence do I need to retain for audit purposes?

For audit purposes, you will need to retain the following documentation either in paper form or electronic form:

- a copy of the documents;
- evidence that a stamp duty determination has been made (i.e. Certificate of Stamp Duty, Document ID or stamped document);
- a copy of the contract for sale and purchase of the land (if applicable); and
- evidence of the market value of the interest being conveyed (where the parties are related).

What Section(s) of the *Stamp Duties Act 1923* applies?

- Section 60
- Section 60A(2)
- Section 71(1)

What stamp duty is payable on this document?

The document is chargeable with the *ad valorem* conveyance rate of stamp duty. The stamp duty is calculated on either the **consideration** or **market value** of the interest being conveyed, **WHICHEVER IS THE GREATER**.

If the transfer is for no consideration, stamp duty is calculated on the **market value**.

If the transaction is *bona fide* arm's length transaction between unrelated parties then pursuant to Section 60A(2) the consideration will be treated as the market value of the land.

For consideration

Where a fractional interest is conveyed, the parties are related or the transaction is not at 'arm's length' you will need to obtain evidence of the market value of the land. For example:

- valuation from a suitably qualified valuer; or
- evidence of the current Valuer-General's value for the land (e.g. a copy of the relevant SAILIS print-out).

Where there is a dispute regarding the market value of the property for stamp duty purposes, the document must be **submitted to the Commissioner for assessment** with full details as to why the value is disputed.

For no consideration

Where there is a dispute regarding the market value of the property for stamp duty purposes, the document must be **submitted to the Commissioner for assessment** with full details as to why the value is disputed.

Pursuant to Section 71(1), the market value of the interest being conveyed must be declared in the document.

Examples

Road Closure – for consideration

The ABC Council has executed a road closure transfer to Bob for a consideration of \$2,000. The land where the road is situated is used predominantly for primary production purposes.

This is an arm's length transaction between unrelated parties.

Pursuant to Section 60A(2) the consideration is accepted as the market value of the property, and stamp duty is charged at the *ad valorem* conveyance rate on the consideration of \$2,000 (i.e. \$20 stamp duty).

Road Closure – for no consideration

The XYZ Council has executed a road closure transfer to Jamie for no consideration. This land is predominantly used for primary production purposes.

The market value of the property is \$2,500.

Pursuant to Section 71(1), a value of \$2,500 has been declared as the market value of the property.

Stamp duty is charged at the *ad valorem* voluntary conveyance rate on the market value of \$2,500 (i.e. \$25 stamp duty).
